“The femoral acetabular impingement” Ant. Med. It 4, 2011

PRESENTATIONS, CONFERENCES, COURSES

2016 Nice Shoulder Course – Current Concepts Arthroscopy, Arthroplasty and Fractures

Analysis of good internal rotation

L. Neyton, F. Ascione, G. Bugelli, M. Chelli, P. Boileau

Acromial and Spine scapular fractures

L. Neyton, F. Ascione, G. Bugelli, E. Lunini, G. Walch

2016 Bordeaux Exactech Masters Course in Shoulder Arthroplasty

Rehabilitation following rTSA: any evidence?

AM. Romano, A. Di Giunta, M. Susanna, G. Nastrucci, F. Ascione

2016 SICSEG Congress – Italian Society of Shoulder and Elbow Surgery

RSA vs ORIF in proximal humeral fractures in patients over 65 years old

A. Giardella, F. Ascione, M. Mocchi, M. Berlusconi, L. Maradei

2015 III Physiotherapists Course in Orthopedic and Traumatology Surgery Techniques, Humanitas Research Hospital, Rozzano (MI), Italy – SPEAKER and TUTOR

Nice Shoulder Course – Current Concepts Arthroscopy, Arthroplasty and Fractures

June 2016 – Nice – France

Mastering in Proximal Humerus Fractures Treatment: Plate, aTSA and rTSA

November 2015 – ICLO Center - Arezzo – Italy

Mastering in Shoulder Arthroplasty

June 2015 – ICLO Center - Arezzo – Italy

Mastering in Foot and Ankle Biomechanics and Surgery

May 2015 – Istituto Ortopedico Rizzoli - Bologna – Italy

Mastering in Shoulder and Elbow Biomechanics and Surgery

March 2015 – Istituto Ortopedico Rizzoli - Bologna – Italy

2013 SOTIMI Congress, Society of Orthopaedic and Traumatology of South Italy, Naples, Italy

Study about biomechanics of meniscus: femoro-tibial contact areas

F. Nappi, F. Ascione, L. Manzi, G. Di Martino, A. Gloria, R. De Santis, L. Ambrosio, D. Ronca

Study about biomechanics of meniscus: load transmission

S. Viglione, F. Ascione, F. Nappi, M. Testa, L. Manzi, A. Gloria, R. De Santis, L. Ambrosio, D. Ronca.

2013 SIBOT Italian Society of Biomechanics in Orthopaedic and Traumatology, Vietri sul Mare (SA), Italy

FACULTY MEMBER AND SPEAKER at XXII National conference – Italian Society of Biomechanics in

Orthopaedic and Traumatology, Vietri sul Mare (SA), Italy. “Aseptic loosening: biology or biomechanics?”

LANGUAGE SKILLS

Mother tongue:

• **Italian**

Other languages:

• **English:** Cambridge English – BULATS Certificate CEFR Level C2 (June 2014)

• **French:** Level B1

INTERESTS

• Music, Sport, Movies, Travelling, Technology
